Portal A

An archway that is also an A. The gold oculus is the atrium's skylight — the light of the gathering space.

02

The Part

A single razor-clean part line cut into a solid form. Precision, the barber's signature stroke.

03

Kente Queue

Woven strips stack into an A. Rows read as a kente weave and as a live queue moving forward.

04

Griot Wordmark

Type-only. The i's dot becomes a gold kente diamond — one small heritage signal in a confident wordmark.
